Careers Convention

Wednesday 19 November 2025

5.30pm - 7.15pm

The co-operation of companies and organisations
at this convention is gratefully acknowledged.

How to get the most from the Careers Convention

1. Use this programme both before the Careers Convention and during the evening, to make notes as appropriate and gain the maximum value from the advice that is available from the specialists present at the Convention.
2. Decide which careers interest you and prepare a list of questions you want to ask the specialists, e.g.
 - "What subjects do I need for a particular career?"*
 - "Are there any entrance requirements?"*
 - "Do I need any special skills?"*
 - "Will training be offered?"*
 - "Will I have to access any further education?"*
 - "Will you have any vacancies when I leave school?"*
 - "What are the promotion prospects like?"*
3. Having prepared your list of questions go to the appropriate stands. A plan of the Hall is given on the next page. Introduce yourself to the consultant, giving some information about yourself, such as the subjects you are studying. Make a note of the answers so that you can refer back to them.
4. Ask if there is any literature available. If necessary, ask for an address / web link from which further literature may be obtained.
5. Remember that organisations will be able to offer advice on a wide range of employment opportunities covering a number of disciplines. A number of firms will also offer training schemes and apprenticeships.
6. If you are thinking of Further / Higher Education, visit the appropriate consultants to discuss your queries. Note that they will be prepared to discuss various types of educational establishments and the way of life in general and not just their own institution. Do not be anxious about approaching universities even if you do not yet have specific plans or ideas. They are there to help develop your thinking.
7. All employers represented at the Careers Convention adhere to the principle of equality and diversity and no student should find themselves disbarred from a future career by reason of gender, race or disability.

BARI – Bird and Recreation Initiative

BARI works to protect winter migratory birds in Poole Harbour by raising awareness of their epic migrations and showing how to be wildlife friendly when enjoying the harbour. We work alongside local communities and fund infrastructure projects! We're here to talk to you about different career paths and how to get into conservation.

Bournemouth and Poole College

Our state-of-the-art facilities provide a unique learning experience that allows you to reach your career goals and be the best you can be! With focus on improving work skills and the chance to build fantastic relationships with industry leading experts, the Bournemouth & Poole College offers lots of benefits compared to other options for study. You will benefit from our close links with local businesses, extensive student support, live employer project briefs and invaluable work experience opportunities. Our supportive, knowledgeable and motivational team of tutors work with you to shape your learning experience to ensure that by the time you finish your studies with us, you are ready to start or progress within your chosen career.

We are your local college that offers vocational, T Level and apprenticeship courses for Post 16 and Post 18 learners.

Corfe Hills School

High Expectations | Exceptional Individuals

Bournemouth Bay

We are an organisation that trains predominantly after university in a range of secondary school subjects.

We are committed to the provision of high-quality teacher training across our partnership.

Our aim is to create opportunities that advance understanding of education and learning, preparing graduates wishing to enter the teaching profession. We pride ourselves on the modelling of good practice in our delivery.

Bournemouth University

Bournemouth University is a vibrant community of over 17,000 students on the beautiful south coast of England, just two hours from London. With award-winning beaches nearby, BU offers the perfect blend of study and relaxation. Known for courses in media, animation, business, science, sport, and technology, students gain hands-on experience through placements and real-world projects. We put wellbeing first, offering dedicated support, quiet spaces, and activities to help you thrive. With inspiring academics, modern facilities, and a friendly campus, BU is the ideal place to learn, grow, and shape your future.

British Army

The Army has many different careers available for people wanting to join as a soldier or officer. The types of roles available are combat, engineering, HR, finance and support, intelligence, communications and IT, medical, logistics and support, and music.

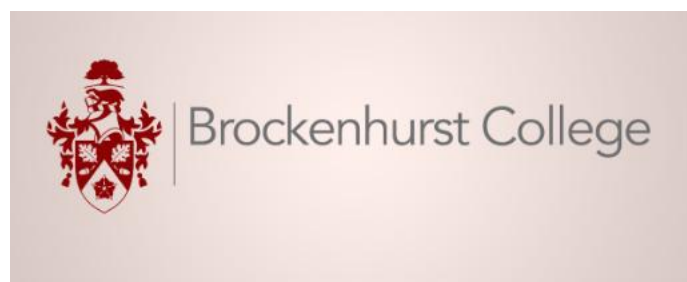

There are over 100 different roles available, for people looking for a job either full time or part time.

Brockenhurst College

We are the first choice for more than 3,000 16 to 19 year olds, 150 apprentices and 5,000 adult students from across our region.

Brockenhurst College offers a wide variety of both A Level and Vocational courses. You can study your chosen subjects in different ways, depending on whether you prefer an academic approach or a more hands-on approach.

[Corfe Hills School event tickets from TicketSource.](https://www.ticketsource.co.uk/corfe-hills-school)

In “Roaring Twenties” Chicago, ambitious chorus girl Roxie Hart murders a faithless lover and convinces her hapless husband, Amos, to take the rap... until he finds out he's been duped and turns on Roxie. Convicted and sent to death row, Roxie and another "Merry Murderess," Velma Kelly, vie for the spotlight and the headlines, ultimately joining forces in search of the "American Dream": fame, fortune, and freedom. Featuring show-stopping tunes, 'All That Jazz', and 'Cell Block Tango,' we welcome you to a 'Razzle Dazzle' world of deceit, cunning and manipulation.

CHICAGO: TEEN EDITION is presented by arrangement with Concord Theatricals Ltd. www.concordtheatricals.co.uk
Book by Fred Ebb and Bob Fosse
Music by John Kander
Lyrics by Fred Ebb
Based on the play by Maurine Dallas Watkins
Script adaptation by David Thompson
